In Memoriam

In memory of E. W. Martin (Pete) who passed away June 12, 1973.
Three years ago you left us,
So sad was that day.
God took you in his loving arms,
And turned out the light.

You did not fail to do your best,
Your heart was true & tender
You worked hard for those you left, and they ever will remember.

Sadly missed,
Mama, Daddy and Sisters

In loving memory of our mother, Mrs. L. K. Almond, who passed away June 10, 1972.

Words cannot express
Our memories of yesterday.
Each loving deed and action
That you had sent our way.

Now memories are all we have
Since you have left our side,
Even though the years have passed
Those memories haven't died.

Vacation Bible School

An exciting program has been prepared by the Pamplin United Methodist Church with participation from Piney Ridge and Evergreen United Methodist Churches and Beale Memorial Presbyterian Church for Vacation Bible School to be held June 13-17 at the Pamplin United Methodist Church.

"God's Love Is Jesus" is the theme for the school, to be held each evening from 6:45 to 9:00 P.M.

Classes will be offered for all ages from Nursery (2-3) through adult.

The central goal of Vacation Bible School is this: That souls be won to Christ and grow in Christ. Bible-based lessons will be taught with excitement and variety through the use of many advanced teaching methods. Students will be challenged and involved through such activities as these: Song time, Bible Study, Visual demonstrations, Craft making, and many other methods that teach the concept, God's Love is Jesus!

Workers in the school are welcome. For information regarding attendance, assisting or transportation call 248-5546.

Bring the family and friends. There is help and fun for all at Vacation BibleSchool.

St. Luke

"In all thy ways acknowledge Him and he will direct thy path.

Many seemed to have this guiding word in mind as so many visitors, friends and members of the St. Luke Baptist Church came out to join in the regular services of the church June 6 at 11:00 a. m. The pastor, Rev. McLaughlin, was out of town on other church engagements. His nephew was in charge of the services and gave an impressive message. Our will to Live For The Lord. Rev. Wesley McLaughlin is a young minister, but very strong and dedicated.

The music was rendered by the Adult Choir No. 2 and Jr. Choir was enjoyable. The offering was as usual good.

Many of Mrs. Eva M. In Memoriam

In remembrance of my daddy, Pete Martin, who died 3 years ago on June 12.
Dear Daddy,
Three years have passed now since I last saw your face; but there are memories I will always cling to, that could never be erased:

I know I was just a little boy the day God called you home; But I will never forget your as life goes on and on;

There is not much more now, that I can think to say, but I will remember you on Sunday, "Father's Day".

Love,
E. W. Jr.

Increased Demand, Tight Supplies Mark Cotton, Wool Situation

Continued large imports of cotton textiles and raw wool can be expected during 1976, according to the U. S. Department of Agriculture. Keen consumer interest in natural fibers and a recovery in the general economy are fostering a strong domestic demand for cotton and wool that U. S. supplies may not be able to meet.

On the domestic market, nearly a fifth of all cotton products sold over American retail counters this Spring is expected to have been imported - an increase of about 7 percent from 1975. Most of the increased shipments during recent months are print cloth and sheeting fabric from the People's Republic of China. The increase in imports translates into an apparent reduction in U.S. mill use of about 400,000 bales.

Increased demand, coupled with tightening supplies, have caused cotton prices to rise substantially over the past year. Responding to higher prices, farmers have indicated that they will increase planted cotton acreage to about 11.3 million acres -- 16 percent above 1975 but one million acres below the average for the past five years. Strengthening cotton prices since April i could result in more acreage being planted to cotton - - particularly in Texas where recent rains have brightened planting prospects.

With strong demand foreseen for 1976-77, combined mill use and exports could total as much as 12 million bales, if supplies are adequate. However, it now appears that the availability of supplies will be a limiting factor and could hold disappearance as low as 10 million bales. Exports alone may range between 3½ and 4½ million bales.

Commercial stocks of apparel wool have fallen sharply from 41½ million pounds on January 1, 1975 to the 17.18 million pound range on January 1, 1976. As a result of the tight supply situation, wool imports have increased markedly. In the first two months of 1976, wool importers ran at an annual rate of 52 million pounds, compared with a 1975 total of 17 million pounds. Farm prices are expected to increase from current levels, perhaps averaging in the 60-70 cents per pound range in 1976.
